Your coins: **330**

Here is the list of ware sell prices.

First buy some production houses like coal mine, farm or woodcutter's. Just attack them with your Merchant.

Second train some workers. This is a typical queue for the beginning – 2 workers, 2 serf, 1 laborer.

Third buy some stone to improve your traffic in town. You can do it attacking Quarry in the middle of town. Stone is immediately transported to your Storehouse.

**Stone price: 50 coins for 3 stones.**

Now put some road plans that's shorting the way from your houses to Storehouse.

Laborer is also used to put out the fire from your houses. When house is on flames, just let the laborer repair it by clicking repair button.

If you need gold for your school house, attack the Metallurgist's.

**Gold price: 50 coins for 1 gold.**

If you need food for your workers, attack the Market.

**Food price: 130 coins for 1 loaves, sausages, wine and fish.**

If you need timber for your wine fields, attack the Sawmill.

**Timber price: 90 coins for 2 timber.**

When you earn some resources sell them. Mark wares that you want to sell by click, then block distribute to your Storehouse. Transaction proceeds immediately and you get the Coins.

## Offers

There are 2 types of offer: house plan and serfs.

House plan offer gives you opportunity to build your own houses anywhere. You can buy it by attack storehouse in the middle of town. (second pic.) We have 3 levels of houses:

- I Extraction** - mines, woodcutter's, farms.
- II Processing** - iron smithy, pig farm, sawmill etc.
- III Production** - bakery, weapon smithy, armory workshop.

Serfs offer gives you workers instantly. Attack school house.

## Quests

Collect sufficient number of requested resource. Mark ware and sell it by clicking delivery button in your Storehouse.

## TAXES

Every 20 minutes you have to pay tax to the king. The Height is based of number houses and workers you possess. You can't win with tax unpaid, after 5 ingnores you will fail. Pay it by attacking Barracks in the middle of the town.

## Lost Merchant

When you don't know where your Merchant is, just click repair button in your school house. You will see your character in the center of the screen immediately.
